NEED A TEAM PERSPECTIVE?

THE **GROWTH**  
CONVERSATION 

# Need a new perspective on things?

Using technical drawing skills, we elevate the self-limiting perspective of a single vanishing point in leadership

## Workshop Description

This workshop is to facilitate leadership of self, and others, while working in a team, in order to define, consolidate and build a uniform leadership model that can deliver better team outcomes. We will use Art as a basis for exploring and knowing ourselves and others. We will use art as a way of creating lasting memories and momentum for your discussions.

the art is yours to keep and

Pricing on Application

## Objectives:

1. Build on your existing knowledge of the team to better understand and know each other
2. Contract how you will collectively and cohesively lead the XXXX services into the future
3. Create accountability for a better way of leading and delivering XXXX outcomes in XXXXX

## Outcomes

1. You will know each other better. With art as a portal for exploring new ways of seeing, you will uncover a new way of being, and of knowing yourself and others.
2. You will form a basis on which you can connect and collectively lead with your strengths.
3. You will have a defined and contracted team engagement process.

## Follow up on the workshop

Summary documents of the Notes taken during the workshop which will include the teams

- Shared Values
- Desired Mindsets
- Agreed on lived behavior

If required: additional costs to be quoted

- Contracting this in a team agreement
- Building accountability documents for the team
- Team Coaching: Team coaching is a focused, defined process of training a group of interdependent people in collaborative and problem-solving procedures
- Individual member coaching for transformational thinking.
